About Us

Hemmen is a business brand under PT Berlian Jaya Sanitary, specializing in the sanitary industry. Established in 2017 by Mr. Aliong Lie, who brought 15 years of experience in a similar industry, PT Berlian Jaya Sanitary has quickly grown to become one of key player in the market. Hemmen imports a wide range of high-quality sanitary products, including faucets, showers, wastafel, sinks, closets, and bathroom accessories. These products are distinguished by their elegant designs, 5-year warranty, and affordability. Our products are distributed nationwide through modern retail networks, reaching various segments of society across Indonesia.

With strong research and development capabilities in the faucet industry, Hemmen is committed to continuous improvement through Technology Enhancement, Process Optimization, Production Advancements, and Business Process Re-engineering. These efforts ensure we deliver high-quality products and services to our customers.

Vision

Become a top national company in providing innovative and high-quality products at affordable prices.

Mission

1. Develop innovative and high quality sanitary products that are able to meet customer needs and follow current trends and developments
2. Provide affordable and easily accessible sanitation solutions for remote and developing areas throughout Indonesia.
3. Helping consumers decorate their homes and bathrooms to make them appear elegant and exclusive.
4. Preserving the environment by creating products that are safe and comply with the terms and conditions that apply in Indonesia.

Certifications

Your Solution for Sanitary

Sanitary Ware Product Advantages

Our product focused in comfortable use, and at the same time take into consideration of the water saving and enviromental protection.
Our product are combination of high tech systems, such as mute technology, eco water saving technology, product shining plating technology, and smooth technology.

Export Quality

Product have been certified to export trough worldwide market.

Scratch Resistant

Our basin surface is resistant to scratcthes, marks or damages.

Chemical Product Resistant

Our basin is able to maintain its original properties after being exposed with chemical substance for a period of time.

Heat Resistant

Extreme heat will not interfere its durability.

Light Fastness

Resistance to fading, yellowing, or darking.

Easy to Clean

Smooth surface helps to clean so easily.

High Quality Material Selection

It adops finest selection of porcelain clay, which produced by multi-process and high-temperature moulding, Its durability is unquestionably.

Multi-Layer Glaze

The surface is smooth and delicately white and bright. From high temperature ceramic and microcrystalline nano glazed, strong multi-layer glaze is created to prevent contamination.

High Temperature Process

Our urinal is fired twice at high temperature of 1280°C to produce great density and no cracking.

Extra Strong Cyclone Flush

Water flow from the depth of the toilet is through directly to the bottom. With super strong flushing forcr, able to thoroughly, quietly, and powerfully clean.

Soft Close

Use physical buffer method to reduce closing speed of cover and seat, and avoid hard impact.

5 Year Warranty

5 years warranty all product.

Smart Closet Series

Creating something that is complex in function and simple in design is a far task. This is the purpose of product innovation. Through skillful engineering and the removal of unnecessary clutter.

Elevate your comfort to the next level. A sanitary experience so cozy, it's unforgettable.

CREATIVITY

Enjoy the smart bathroom life

Wash Basin Series

Hemmen ceramic wash basin is crafted with high-temperature, microcrystalline nano glazing, resulting in a glossy finish that offers exceptional durability and stain resistance.

Our wash basins come in a variety of designs, shapes, patterns, and colors to suit every style.

10 Quality Assurance

Crafted from the finest materials with precision and care, each of our products is selected for its exceptional qualities, ensuring that our designs not only meet but exceed the highest standards of performance and aesthetics.

Export Quality

Product have been certified to export trough worldwide market.

Scratch Resistant

Our basin surface is resistant to scratches, marks or damages.

Chemical Product Resistant

Our basin is able to maintain its original properties after being exposed with chemical substance for a period of time.

Heat Resistant

Extreme heat will not interfere its durability.

Light Fastness

Resistance to fading, yellowing, or darking.

Easy to Clean

Smooth surface helps to clean so easily.

High Quality Material Selection

It adops finest selection of porcelain clay, which produced by multi-process and high-temperature moulding. Its durability is unquestionably.

Multi-Layer Glaze

The surface is smooth and delicately white and bright. From high temperature ceramic and microcrystalline nano glazed, strong multi-layer glaze is created to prevent contamination.

High Temperature Process

Our urinal is fired twice at high temperature of 1280°C to produce great density and no cracking.

5 Year Warranty

5 years warranty all product.

Unique from One Another

Every piece stands out with its own unique patterns, shapes, and colors, offering a variety of choices that allow you to express your personal style while enjoying long-lasting quality and beauty in your space.

Only Hemmen offers such a wide range of options, making it easy to find the perfect fit for your home!
