A. COMPANY PROFILE

Sandimas Group established in Jakarta has been a prominent building material supplier across the nation since 1987. A trusted brand, Sandimas has built its reputation to be the trusted distributor of high quality commercial, industrial and residential supplies specializing in floor & sanitary ware products. Sandimas covers all market segments thoroughly including building material modern markets and independent retail operators as well as architects, contractors, developers, commercial and specialized projects.

With over 500 employees, strategic warehouses and office spaces located in the main economic centers of Jakarta, Surabaya, Semarang, Bandung, Bali, Makassar, Samarinda and Medan to support its vast operational networks. With over 30 years of experience in the industry, Sandimas has the extensive knowledge & expertise to source and supply materials to all major cities in Indonesia and has grown to be one of the largest suppliers of building materials in the country. In 1997, Sandimas launched a regional office in Foshan China, for the purpose of OEM and Quality Control to keep in line with the company's agenda to increase its range of products, maintain its exceptional quality and to expand its market share.

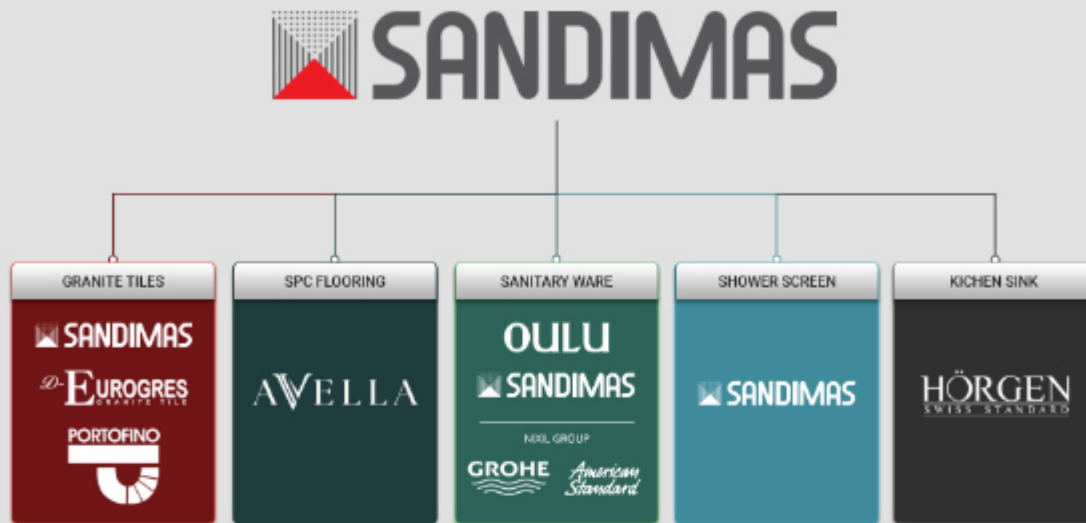

Sandimas China has evolved into an international trading arm where it leverages on their substantial buying power, strong infrastructures such as secured warehouse for storage purposes, transportation means, and wide networks of manufacturer across China nationwide to provide exceptional quality tiles and competitive prices to importers worldwide. With the growing demands, Sandimas expands its product sourcing globally from reputable factories in Indonesia, China, Italy, Vietnam and Malaysia. In 2010, Sandimas is proud to set down its roots and manufacture Oulu sanitary ware products locally in Indonesia. We manufacture high performance range of sanitary wares focused on mid-tier sectors and budgets.

EDGE FINISHING

Bullnose

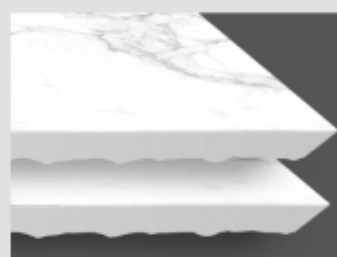

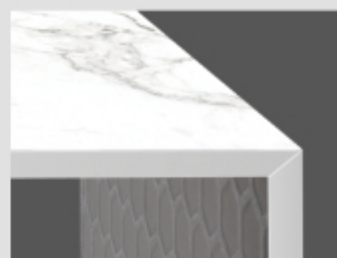

Bullnose edges are curved along the top and bottom for an even finish. Bullnose edge is often chosen as it is safer in comparison to a sharper square edge and also creates a timeless look.

Mostly applicable for stairs and table finishing.

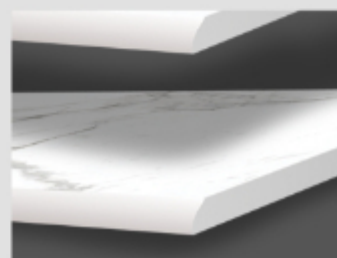

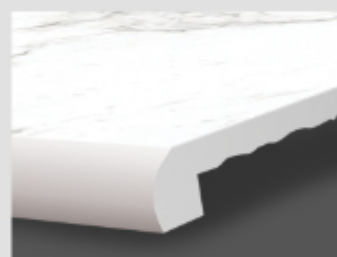

- Size 10x60, 30x60, 30x120
- Ready in stock
- Product can be chosen by customer
